▲ Please note:

This information provided by Burger King Corporation regarding our food is as complete as possible at the time of this publication. The information on this list is reported to us by our suppliers and is based on Burger King Corporation's standard product formulations. Variations may occur depending on the supplier and on product assembly on a restaurant-by-restaurant basis. Product formulations may change periodically, we continue to update this list to reflect changes that occur in our products.

From time to time, restaurants may test or feature products containing dairy (or other allergens) which will be cooked in the same broiler with beef and chicken products. At those times, it is possible that small amounts of milk protein (or other allergens) may be present on beef and chicken patties. Burger King Corporation, its franchisees, and employees, do not assume responsibility for a person's sensitivity or allergy to any food item provided in our restaurants. Please always consult your healthcare practitioner for questions regarding your diet. We encourage anyone with food sensitivities, allergies, or special dietary needs to check www.bk.com on a regular basis to obtain the most up-to-date information about our food before you order.
